

Yes I would like to include a colour logo in my entry!

Tick...

HYDROPOWER & DAMS INDUSTRY GUIDE

If you would like your company logo to be included with your entry, please contact us: [+44/0] 20 8773 7250 or Email: sales@hydropower-dams.com
Logos are reproduced in full colour in both the printed and Internet versions of the Guide; the current charge is GBP £400 / US\$ 660 / EURO €465.

If your company is **NOT** currently listed in the **HYDROPOWER & DAMS INDUSTRY GUIDE**, please complete the form below and mail it to the address shown. A recent company brochure should also be enclosed. To see if you are listed, please check the *World Atlas & Industry Guide 2016* publication or visit www.hydropower-dams.com

In the list below, please indicate the categories of products/services **supplied directly by your company** (max. 10 categories).

Civil works	
Pneumatic gates	4005 <input type="checkbox"/>
Construction plant	4010 <input type="checkbox"/>
Concrete equipment (mixing, cooling, etc)	4015 <input type="checkbox"/>
Contractors, general construction	4020 <input type="checkbox"/>
Contractors, grouting	4025 <input type="checkbox"/>
Contractors, waterproofing and linings	4030 <input type="checkbox"/>
Contractors, tunnelling and underground works	4040 <input type="checkbox"/>
Contractors, underwater/diving services	4050 <input type="checkbox"/>
Contractors, foundation treatment/stabilization	4060 <input type="checkbox"/>
Materials processing	4070 <input type="checkbox"/>
Special construction equipment	4080 <input type="checkbox"/>
Concrete pumps	4081 <input type="checkbox"/>
Form work	4085 <input type="checkbox"/>
Special construction materials	4090 <input type="checkbox"/>
RCC Specialists	4095 <input type="checkbox"/>
Tunnelling equipment supplies	4096 <input type="checkbox"/>

Control, communication and instruments	
Gate/valve control equipment	2010 <input type="checkbox"/>
Governors	2020 <input type="checkbox"/>
Control systems	2030 <input type="checkbox"/>
Diagnostic systems	2040 <input type="checkbox"/>
Communication systems	2050 <input type="checkbox"/>
Alarm/warning systems	2060 <input type="checkbox"/>
Instruments, electrical equipment monitoring	3010 <input type="checkbox"/>
Instruments, mechanical equipment monitoring	3020 <input type="checkbox"/>
Instruments, hydraulic	3025 <input type="checkbox"/>
Instruments, civil structures monitoring	3030 <input type="checkbox"/>
Instruments, geotechnical	3040 <input type="checkbox"/>
Instruments, surveying	3045 <input type="checkbox"/>
Instruments, environmental monitoring	3050 <input type="checkbox"/>

Electrical equipment	
Generators, large (above 10 MVA)	1010 <input type="checkbox"/>
Generators, small (below 10 MVA)	1020 <input type="checkbox"/>
Generators, refurbishment specialists	1030 <input type="checkbox"/>
Cooling systems	1040 <input type="checkbox"/>
Transformers	1050 <input type="checkbox"/>
Transmission equipment	1060 <input type="checkbox"/>
Switchgear	1070 <input type="checkbox"/>
Auxiliaries, electrical	1080 <input type="checkbox"/>

Hydraulic machinery and steelworks	
Turbines, large (above 10 MW)	0010 <input type="checkbox"/>
Turbines, small (below 10 MW)	0020 <input type="checkbox"/>
Pump-turbines	0025 <input type="checkbox"/>
Turbines, refurbishment specialists	0030 <input type="checkbox"/>
Bearings	0040 <input type="checkbox"/>

Lubricants	0041 <input type="checkbox"/>
Compressors	0042 <input type="checkbox"/>
Filters	0043 <input type="checkbox"/>
Seals	0045 <input type="checkbox"/>
Cranes	0047 <input type="checkbox"/>
Valves	0050 <input type="checkbox"/>
Speed increasers	0060 <input type="checkbox"/>
Pumps	0070 <input type="checkbox"/>
Steel components	0080 <input type="checkbox"/>
Penstocks	0081 <input type="checkbox"/>
Steelworks/foundries	0090 <input type="checkbox"/>
Gates	0100 <input type="checkbox"/>
Intakes	0110 <input type="checkbox"/>
Special materials for hydraulic equipment	0120 <input type="checkbox"/>
Switchgear	0125 <input type="checkbox"/>
Bolting/coupling	0130 <input type="checkbox"/>

Consultants and specialists	
Consulting engineers, civil/hydraulic/hydrological	5010 <input type="checkbox"/>
Consulting engineers, electrical/electronic	5015 <input type="checkbox"/>
Consulting engineers, mechanical	5020 <input type="checkbox"/>
Consultants, special dam types (RCC, CFRDs, Asphalt)	5021 <input type="checkbox"/>
Consultants, geotechnical/seismic risk	5025 <input type="checkbox"/>
Consultants, structural modelling	5027 <input type="checkbox"/>
Tunnelling and underground works	5028 <input type="checkbox"/>
Environmental consultants	5030 <input type="checkbox"/>
Public awareness/PR consultants	5035 <input type="checkbox"/>
Financial consultants	5040 <input type="checkbox"/>
Construction management	5055 <input type="checkbox"/>
Model testing laboratories	5060 <input type="checkbox"/>
Research/educational centres	5070 <input type="checkbox"/>
Pumped storage specialists	5082 <input type="checkbox"/>
Small/micro hydro specialists	5085 <input type="checkbox"/>
Software developers	5090 <input type="checkbox"/>
Ventilation specialists	5095 <input type="checkbox"/>
Vibration/alignment specialists	5096 <input type="checkbox"/>
Condition monitoring specialists	5097 <input type="checkbox"/>
Turnkey specialists	5098 <input type="checkbox"/>

Project development	
Financiers/Financial consultancy (inc. carbon trading)	6000 <input type="checkbox"/>
Financial consultants	6005 <input type="checkbox"/>
Legal/licensing services	6010 <input type="checkbox"/>
Insurance services	6050 <input type="checkbox"/>
Project survey / Investigations	6055 <input type="checkbox"/>
Project developers	6065 <input type="checkbox"/>
Project supervisors	6066 <input type="checkbox"/>
