

EDITORIAL PROGRAMME 2023

ADDITIONAL THEMES MAY BE ADDED

Issue One

ASIA 2023 Special Issue

- Hydropower and dams in Asia
- Disaster risk management
- Turbine cavitation
- Pumped storage
- ASIA 2023 Preview

Editorial deadline: January 6, 2023

Advertising deadline: January 18, 2023

Press date: January 25, 2023

Publication date: February 1, 2023

(Extra circulation: ASIA 2023, Malaysia)

Issue Two

ICOLD Special Issue

- Dams and hydro in northern Europe
- Tunnels and tunnelling
- Dam safety
- Pelton turbine technology

Editorial deadline: March 17, 2023

Advertising deadline: April 12, 2023

Press date: April 19, 2023

Publication date: April 26, 2023

(Extra circulation: ICOLD 2023, Sweden)

Issue Three

AFRICA 2023 Special Issue

- Francis turbine technology
- Embankment dams
- Mini/micro hydro and rural electrification
- Hydro plant operation and maintenance
- Cross border collaboration

Editorial deadline: April 14, 2023

Advertising deadline: June 2, 2023

Press date: June 7, 2023

Publication date: June 14, 2023

(Extra circulation: AFRICA 2023, Uganda)

Issue Four

Regional Focus – North America

- Asset management
- Upgrading and refurbishment
- Software systems and cyber security
- Fish protection
- Spillway design and discharge

Editorial deadline: June 23, 2023

Advertising deadline: August 4, 2023

Press date: August 9, 2023

Publication date: August 16, 2023

WORLD ATLAS & INDUSTRY GUIDE 2023

Special publication:
