

THE INTERNATIONAL JOURNAL ON HYDROPOWER & DAMS

EDITORIAL PROGRAMME 2024

(Additional topics may be added during the year)

Issue One

Regional Focus – Southeast Asia and Australasia

- RCC dams and materials
- Pumped storage
- Project design and planning
- Hydropower digitalisation
- Sedimentation

Editorial deadline: January 8, 2024

Advertising deadline: January 19, 2024

Press date: January 31, 2024

Publication date: February 7, 2024

Issue Two

Regional Focus – Africa

- Floating solar PV, dam-mounted solar and hybrid systems
- Francis turbine technology
- Embankment dams
- Regional hydropower development
- Transmission and distribution

Editorial deadline: February 12, 2024

Advertising deadline: March 1, 2024

Press date: March 13, 2024

Publication date: March 20, 2024

Issue Three

Regional Focus – North America

- Upgrading and refurbishment
- Managing hydropower assets and AI technologies
- Fish protection
- Small hydro, including exploiting hidden hydro
- Spillway design and discharge
- Instrumentation

Editorial deadline: April 26, 2024

Advertising deadline: May 10, 2024

Press date: May 22, 2024

Publication date: May 29, 2024

Issue Four

ICOLD 2024 Special Issue

- Hydropower and dams in India
- Dam safety and disaster risk management

- Sustainable dams and reservoirs

- Tunnels and tunnelling

- HYDRO 2024 Preview

Editorial deadline: June 7, 2024

Advertising deadline: June 28, 2024

Press date: July 10, 2024

Publication date: July 17, 2024

WORLD ATLAS ON HYDROPOWER & DAMS 2024

Special publication: World Map of Hydropower & Dams

- Comments from leading industry figures
- Statistical tables to show trends in hydro and pumped-storage development and dam construction
- World survey - fully updated country reports

Publication date: September, 2024

Issue Five

HYDRO 2024 Special: Focus on Europe

- Hydro and pumped storage in the Alpine countries
- Powerplant safety and upgrades
- Operation and maintenance
- Low head turbine technology
- Climate change and ESG
- Software systems and cyber security

Editorial deadline: August 30, 2024

Advertising deadline: September 20, 2024

Press date: October 2, 2024

Publication date: October 9, 2024

Issue Six

Regional Focus – Latin America

- Electrical engineering
- Bearings
- CFRDs
- Gates
- Kaplan turbine technology

Editorial deadline: November 1, 2024

Advertising deadline: November 29, 2024

Press date: December 4, 2024

Publication date: December 11, 2024

Articles relevant to our profession on topics not listed above, may be submitted at any time. They need not be associated with the regional focus.

Articles: Detailed editorial submission guidelines are available on our website: www.hydropower-dams.com/journal/submissions
