

OFF-GRID SOLAR SYSTEM DESIGN AND INSTALLATION COURSE

DATE: 18th to 22nd October 2021 (One Week)

VENUE: Kafue Gorge Regional Training Centre (Zambia)

Are you ready to become a certified Off-grid Solar System Design and Installation Expert? Learn more: <https://bit.ly/Off-Grid-Solar-Course-SESA>

The overall aim of this course is to train power technicians and students in basic electrical fundamentals and skills in designing, installing, operating, and maintaining off-grid solar photovoltaic (PV) systems specifically solar mini grid. Practical sessions will be conducted from an actual off grid solar system site, for a thorough understanding on all technicalities involved.

Sign up before October 15: <https://bit.ly/Apply-Now-KGRTC>
